

THE HONORABLE JOHN C. COUGHENOUR

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

DARRYL KILGORE,

Defendant.

CASE NO. CR17-0203-JCC

MINUTE ORDER

The following Minute Order is made by direction of the Court, the Honorable John C. Coughenour, United States District Judge:

This matter comes before the Court on Defendant's motion to set a case schedule (Dkt. No. 301). The Court previously vacated the trial date and set the matter for a status conference on August 4, 2020, at which the parties must propose a new trial date and pretrial orders deadline. (Dkt. No. 292 at 2.) Defendant now moves for entry of a case schedule based on an unspecified trial date. (*See* Dkt. Nos. 301, 301-1.) The Government opposes the motion, arguing that entry of a case schedule prior to setting a trial date is premature and that "a number of the proposed deadlines are overly burdensome, impose additional legal obligations on the government, and contravene the local rules." (Dkt. No. 303 at 1-2.) Given the impracticality of setting a case schedule absent a trial date and the Government's likely objections to Defendant's proposed case schedule, Defendant's motion is DENIED. The parties may propose a stipulated

1 case schedule at the August 4, 2020 status conference or Defendant may renew his motion for  
2 entry of a case schedule following the status conference.

3 DATED this 13th day of July 2020.
